All about Your Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card

The Queen of Clubs Person

The Mother of Intuition Card

All Queens are service oriented and receptive in nature. The mental nature of clubs inclines the Queen of Clubs to deal in the publishing trade, secretarial work, or among the more aware ones, psychic work. Being Queens, they are always aware of their place in the royal court and resist anyone trying to mold them in any way. Their displaced card, the Three of Hearts, as well as the Five of Clubs in their Venus position, tells us that indecision about love and friendship makes it hard for them to find lasting happiness in these areas. Their mental gifts are abundant and whether or not they realize it, they are always receiving knowledge from the 'other side'. These people have incredible organizational minds but live life at such a high pitch that they are often stressed out or overdoing it.

The Ace of Spades in Jupiter promises many rewards if and when they follow spiritual or psychic lines of work or pursuits. They have a deep heritage of knowledge from past lives that is always available. The Queen of Clubs is also known as the 'Mother Mary' card and many of them have one or more 'children' for whom they must make sacrifices in their life just as the Virgin Mary had to undergo the sacrifice of her son Jesus.

The Queen of Clubs often has two jobs and does best where there is some creative expression and freedom of movement. They are proud and do their jobs well.

Some of the Queen of Clubs Issues Concerning Relationships

Though many Queen of Clubs get married, not all of them are happy about it or make a success of it. These people have powerful minds and wills and not many partners can handle them and their willful ways. They also carry with them the karmic seeds for one or more difficult relationships that will be brought into fruition at some point in their life. For this reason, many of them try marriage once and then renounce it for the rest of their life. Some of them change their mind a lot about what they want as well. This can make their partners feel very insecure about their love and thus create separation. They operate on higher frequencies and thus their partner must have some mental ability and communications skills to make it work. There is a certain amount of indecision emotionally as well that adds to the challenges they have to deal with each time they fall in love.

One of their biggest challenges is to let their loved ones be themselves without trying to change them. Letting go of personal attachments can be difficult for someone who shies away from the feeling side of their natures.

The Cards In Your Mercury 13-Year Period

Your 13-Year Mercury Period is from 8/14/1968 till 8/14/1981

Some General Information About the Mercury 13-Year Period Cards

Our Mercury 13-year period is our first thirteen years of life and the importance of this period cannot be exaggerated. It is in this period that our most important life patterns are set. The first seven of these years are the real life-pattern years of our life and we experience each of our Life Path Cards during that time.

The Mercury Cards below describe your childhood to a great extent. They also describe some of the most important influences that were imprinted upon you at an early age. These influences have become a part of your mental state of mind. They influence your thinking and your communications to a great extent. They describe a mental point of view that in turn affects every area of your life.

Some say it is our Mercury Card that leads us in life. New cycles are begun by its influence. It may be the card that signifies what or who starts new cycles in our life. Its importance cannot be overstated. Sometimes these cards describe an important influence in our life. The presence of any of the face cards, for example, would signal an individual who had a profound influence us during our formative years.

The cards below govern your Mercury period of life and describe the mental pattern that you emerged with after going through it.

Your Thirteen-Year Ten of Spades Period

This is card of success, ambition and of a large focus on accomplishment. Usually this represents hard work as well. Like the Ten of Wands in the Tarot deck, your work may often seem to be a burden under this card's influence, or you may become obsessed with all the things that you have to do. This card can be a 'workaholic' kind of influence. However, if you have a list of specific goals and want to achieve them successfully, there is hardly a better card to have in your reading than this one.

Essentially you can expect to have many goals and to be achieving them. At the same time, family matters will be settled and satisfactory for the most part. If you are of the right age, marriage is a distinct possibility. And not just marriage, but a satisfactory marriage. You will be enjoying the comfort of friends, family and those you hold most dear.

The Ten of Spades is one of the best cards for success and satisfaction in your work and in health, though you may also expect to work very hard when it is present. Overcoming of all obstacles in work and health are the attributes of this card. The only downside of this card is the tendency to overdo things. By keeping this in perspective you are prepared to take advantage of this and achieve all your goals.

The Cards In Your Venus 13-Year Period

Some General Information About the Venus 13-Year Period Cards

Your 13-Year Venus Period is from 8/14/1981 till 8/14/1994

The Venus Period of life begins at Age 13. It is during this period of life that we learn about love and romance. We are still connected to our family at the beginning of this period but most of us will have departed our family before it is over. Many will be married before this period ends as well.

The events during our Venus period of life often set a pattern for our relationships for the rest of our life. We discover, in this period, what sorts of mates we are attracted to, what our personal approach to relationship is, and what sort of partner we ourselves make. Our Venus Card describes these traits to a large extent.

And, it is in this period that our personal relationship karma makes it debut. We can experience great love and heartbreak, along with many other things as we explore the area of love.

Some even begin developing their own family at this time. And the Venus cards can describe just how our family life will be.

The cards below govern your Venus period of life and tell the story of you and your relationship patterns, as well as decribe the events that will occur at this time.

Your Thirteen-Year Five of Clubs Period

You will find yourself wanting to explore new things - new ideas and concepts, new places, new books and philosophies, new relationships or new forms of relationship. Whatever the norm was before this period began will not be enough for you. You will want to leave rather than be hampered by anyone's attempt to cage you.

At a deep level, this is a time in your life to gather new experiences. These experiences will bring you the wisdom you seek. And wisdom is really what you are seeking at this time. You will likely find yourself trying things that you never did before. Sometimes the people in your life may disapprove of your choices. They will probably find it hard to understand why you want to do the things you do. But for you, it is all about gaining new experiences which may come in some seemingly odd ways.

This is a 'double-five' influence because the Five of Hearts is also present as an underlying influence. This second five makes you emotionally and romantically restless. Therefore, personal relationships may be very changeable during this time. You may find it hard to fit into any traditional role for very long. Your urge for freedom may see you involved in unique ways. You could, for example, have a secret affair or two. On a deep level, it is all about broadening the experiences of your life. Keep that in mind as you go through the many changes you are confronted with.

Your 13-Year Mars Period is from 8/14/1994 till 8/14/2007

It is during this period that our passions are expressed, when most of us begin working in life in a real sense, and when most of us work off a great deal of our past-life karma. Whatever really turns us on in life is explored during this period and the cards here will describe something about that, or how its expression is responded to by those around us.

Our Mars Cards indicate what turns us on and what irritates us. Thus the Mars period can have a lot to do with passion and competition. Most competitive sports figures make their mark during this period of life. Each of us will make our mark as well, exerting the power of our Mars card for better or worse. Since Mars governs sex this is a period when many will have children as a result of their passionate expression.

The Mars period is usually associated with work. In this case is represents putting our Mars energy to work. Your Mars cards may describe your approach to work or even what kinds of work you do at this time. The Mars period is one in which we try different kinds of work to see which fits us best. It is preparation for the coming Jupiter period, when our efforts are more financially rewarded.

Your Thirteen-Year Three of Diamonds Period

This period of your life will most likely be marked by a high degree of creativity, especially creativity in regards to how you make a living. You will find that there will be many times when you are making money at two more occupations at the same time. And you will have some ideas about money making that could be very productive and profitable. To take best advantage of this period, be prepared to diversify your skills and abilities. Money can come in from all directions.

At the same time, this influence will stimulate your mind so much that there are bound to be times of indicision and worry. And what is funny is that most of this worry will be about money! The key to any Three period is to transform worry into creativity. Stay involved in bringing your great ideas into expression and your worry will be much less, if at all.

You will be trying out many kinds of work and ways of making money at this time. In a way, this will be a gathering of experiences, experiences that will add to your abilities and wisdom, which will no doubt benefit you in the future.

However, if you are single when you enter this period, this card could bring to you a destined relationship of some importance.

Oftentimes the Three of Diamonds causes uncertainty in our values. Since values also influence our choices in relationships, this card can cause indecision and worry in matters of the heart. The Six of Hearts also present guarantees that whatever we do to others we will also experience as a reflection. Love Karma will be pronounced. Knowing this ahead of time, prepare yourself to be as thoughtful as possible about your actions in relationships. This will help you realize the highest expression of these two cards, which could bring you the love of your life.

It is usually during our Jupiter period of life that we begin making the most money. It is sort of like the harvest season of our life. Your Jupiter cards may indicate what to expect during this period but they also may point to the means by which you will be most financially prosperous.

Finances in the Jupiter period should flow easily if we are in tune with a profession that is truly connected to what we love. If you are struggling during this period, it can only be because you are doing work that you really enjoy. You might want to keep this in mind as you progress through it.

It is during this period that we experience our important 'cycle of reflection' which includes the Prebirth and Rebirth years of our life. The Rebirth year, or age 45, is considered one of the most important and fortunate years of our life. Seven years after it, we end our Jupiter cycle with the age 52, 'Critical Year' and begin our Saturn cycle. It is important in the Jupiter cycle of life that we open ourselves to the abundance of this world and let go of our struggling. For many, the Critical Year which ends our Jupiter period is the last opportunity to embrace a happy and prosperous life.

With this in mind, study your Jupiter Cards and see if they can help you access the bounty to which you are entitled.

The Basic Meaning of the Ace of Spades

The Ace of Spades means a SECRET of some kind. This card was the emblem for many of the secret societies of old, being the 'key to the mysteries'. As such, it represents the 'truth that lies behind the veil of illusion'. So, it has often been the symbol for the study and pursuit of esoteric knowledge and mystical wisdom.

The Ace of Spades is also one of the traditional cards for death, change and transformation. With this mystical card in your spread, it is certain that you will go through some sort of death and rebirth, or at the least, some important and powerful changes.

Another facet of the Ace of Spades is the desire for work. Since all Aces represent new beginnings, the Ace of Spades can come up when we are preparing to launch a new job or occupation.

The Saturn period of life begins with the important age 52, Critical Year. If we have embraced the abundance of our Jupiter cycle, there is no reason to expect Saturn to be anything but more success. The Saturn period is usually considered to be the last really active period of life. Many who have had career ambitions throughout their life will realize their dreams and be recognized for their contributions during this time. Saturn governs the highest house in the zodiac and thus can bestow recognition and reward upon us. Your Saturn card may describe just what you are 'known as' as you complete your life's work. This is not to say that all complete their life's work in Saturn. But it is common for people to move on from a working life to one of other pursuits during this cycle.

Saturn is the great teacher and the Lord of Karma. But usually by our Saturn period of life we have learned his lessons and are ready for his rewards. These consist of ease of life and the wisdom to sustain it on a daily basis. However, it is usually during our Saturn period that health matters assume more prominence for us. Though some may encounter them earlier, most everyone will be reminded that we do not live forever during this cycle of our lives. Thus, in Saturn, we must continue with his disciplines, but now those disciplines will be more directed towards keeping healthy as our bodies decline.

Your Thirteen-Year Seven of Hearts Period

This 13-year period will be one of both emotional power and challenge. If you adopt a spiritual approach to your personal relationships you could achieve great things in this time. This can also occur for those who are older. The real truth is that you have a great deal of emotional power now, as signified by the underlying Eight of Hearts. But you will be tested in relationships as to how much you are attached to others behaving in a certain way. The more the attachment, the more you will struggle through the ups and downs of love. Those who have this card in their Life Path generally have an issue with relationships and abandonment. It will likely be during this period that these issues play themselves out.

At the same time, you may find work in this period that allows you full expression of your heart and the heart power that you carry. You could be a counselor or guide of sometime, even a teacher. Your 13-Year Uranus Period is from 8/14/2033 till 8/14/2046

Some General Information About the Uranus 13-Year Period Cards

Uranus and Neptune are the spiritual periods of our life. The dates for their beginning and ending vary quite a bit and depend upon factors such as how long we live and the quality of the life we have lead up to their beginning. But, in general, these are the periods where we retire from actively working and pursue other interests. Some will pursue spiritual goals exclusively, especially in the Neptune period. But some will mover towards political and social goals in the Uranus period as well as spritual pursuits.

The Uranus period is usually about connecting with our spiritual family. It is usually in this period that we choose a religion, if we haven't already. We become more active in our chosen groups during both these cycles as we prepare a place for ourselves in the life hereafter. Your particular group may not be a spiritual group per se, but it will be one to which you feel that you belong on a deep level.

These periods should provide us with the freedom to explore the deeper meanings of life. And many of us will have profound spiritual experiences and revelations during these periods. As a result of the wisdom we have gained, we are able to lead a happy life with minimal effort and strain. We become like a gentle breeze flowing through the trees. And life can be quite delightful as we grow closer to God. Many will hear Him and feel more attuned to Him and His creation during these cycles of life.

Your Thirteen-Year Seven of Diamonds Period

This period of life will have a large focus on finances. Whether you experience great financial success or failure during this period will depend entirely upon your age and attitudes about money. This card is known as the Millionaire's Card and for some it will bring great financial success. But this is a spiritual money card. Those who have inner fears about money will have their money taken away while those who have an inner sense of prosperity will experience great wealth. You will have to go within to meet any challenges you have in this area at this time.

There will also be a focus on love during this period, and especially love of close friends and family. Your own family could be more or less a burden at this time. You may have to make sacrifices on behalf of them as well. The Nine of Hearts underlying says that you may experience emotional disappointment on a personal level. But at the same time you may achieve spiritual emotional freedom and release. This may be one of the most spiritual periods of your life. And spiritual always calls for us to go within for our answers instead of trying to change our external environment or situation. With two spiritual cards present, you can achieve great heights of spiritual victory over the material world, in both love and money.

Your Thirteen-Year Five of Spades Period

This will likely be a period of your life when you will travel a great deal and/or move to new locations. You may also have different jobs or careers at this time. The strength of the Five of Spade is such, however, that these changes could involve your health as well. Depending upon your age when you enter this period, a change of health could indicate challenges in this area.

The Five of Spades is one of the strongest indicators of travel or moving your home or your business. It implies a deep restlessness and a yearning for new experiences that precipitates travel, changes of lifestyle or residence. You may actually travel to foreign countries because of the power of this influence. This would be a great time to consider some improvements to your lifestyle. You could start doing more things that encourage good health and a happy home life. This may involve moving to a nicer home, one in which you feel more nurtured. But it may involve living in an entirely new area of the world or country. Only you will know exactly what will fit you best.

At the same time, the underlying Ten of Hearts means that you will enjoy a lot of popularity during this period. Social interactions will be very successful and bring you a lot of happiness. Try to involve yourself with various groups to take advantage of this positive influence.

Deep down you will feel a certain dissatisfaction in your life. This is a positive influence, designed to get you out of the rut and out doing different things, gathering new experiences. Though this could prove unsettling at times, the wisdom you gain will make the changes more than worth it.

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. Your Birth Card falls in a position this year that is governed by the Planet Jupiter. Because of this you will have a certain amount of good fortune and you will see at least one of your important wishes fulfilled at the same time. This does not mean that every problem in your life will disappear or that everything will be easier. But it does mean that some things will come easier to you and that something you want will manifest itself. This is, for the most part, going to be a year of prosperity and abundance. Though you may have challenges in other areas, there will be much to be grateful for. Magnify this prosperity by receiving it and giving thanks.

You can find your True Purpose this Year

There is at least one occurrence of a Six card in your reading in a prominent position (Long Range, Pluto, Result, Environment or Displacement). This might be in either your Birth Card Spread, or your Planetary Ruling Card spread. Either way, this gives you a special opportunity, but one that is only taken advantage of by those who are aware of it. Sixes give us an opportunity to discover what our true purpose is for our life. Most people search their entire life to discover what their life is about and whether or not they have some special purpose or goal that they are to achieve during their time here on the planet. Many never find this purpose at all. Because of the presence of a Six card in a powerful position this year, you will have a special opportunity to discover what your purpose is. Of course, this only applies to you if you have the desire to know. If you are not that interested in knowing more about your life's direction, this will probably manifest itself as a year of steady progress towards existing goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

Study any and all Sixes that you find in these prominent positions this year, along with other Sixes that appear in your Yearly Spreads. They will reveal much about the special destiny that is coming your way. Good luck on your path to inner discovery.

Your Planetary Ruling Card falls in a position this year that is governed by the Planet Jupiter. Because of this you will have a certain amount of good fortune and you will see at least one of your important wishes fulfilled at the same time. This does not mean that every problem in your life will disappear or that everything will be easier. You Have Good Career Influences This Year

Because of the position of your Birth Card this year, there are opportunities for you to achieve a larger measure of recognition in your work. Of course, if you are not career or business minded, this influence will have little effect on you. But for those who are trying to get more recognition or wish to become better known, this is a year when some of those dreams will come true.

The cards in your Birth Card's Yearly Spread will rise up to the 'Crown Line' sometime this year and because of this, people will begin to pay more attention to what you are doing. You could achieve some sort of award or merely become more recognized in your field. Many people receive promotions during years such as these. Just how it will manifest will depend upon the nature of your work or aspirations. Knowing, however, that these influences are present, it would be advantageous to put more effort into becoming recognized.

This is a Major Completion Year for You

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

Whatever the nature of the endings in your life this year, be glad that you have reached the point in your development that you are ready to move on to better things and relationships. We are often afraid to let go of things that have become so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

If you have more than one occurrence of a Nine in these prominent positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

Study whatever Nines you may find in your Yearly Spreads carefully. Each one will reveal the specific areas that you may be encountering some important completions.

Your Birth Card is Approaching the Ascent to the Pinnacle Year

Because of the position of your Birth Card this year, you are approaching a particularly significant 7-year cycle of your life. We call this the Ascent to the Pinnacle Cycle. This cycle's effect on you will depend largely on what is the direction of your life to this point, so read carefully to determine it's significance for you.

If you are aware of your personal goals and purpose to a large degree, this year and the next three years together will mark a rising up to a position of accomplishment and recognition. This year will see significant advancements in your career interests but the year that begins three years from this birthday will be the Pinnacle Year, where you could reach the very top of your profession and end up on a new level of work and attainment. Many people have achieved great goals and dreams during this 3-year period.

If, on the other hand, you are not so certain about your life's direction or purpose, the next three years will mark a culmination for you of your life as you know it. Be prepared during the Pinnacle Year to make a big change, to depart from a significant chapter of your life, and to move on to a new and better cycle.

You have the King of Spades as your Long Range Card this Year

This can be an especially powerful and successful year for you. Because you have a King of Spades Long Range in your Birth Card spread, there is little you cannot accomplish. The King of Spades is the most powerful card in the deck when it comes to material and work accomplishment. However, it only benefits those who are willing to take on a role as a leader in their chosen field. It usually implies leadership in some form anyhow, but this can be a special opportunity for you to realize some of your dearest and highest goals. If you are willing to sit down and create a plan for your success or accomplishment, there is little that could prevent you from reaching your goals. Everything will seem to go your way and you will succeed where others have failed. In most areas of competition you will come out the winner. The list of benefits goes on and on and this could be a year you will never forget for all of the success it will bring. But do keep in mind that these benefits are only available to those who are willing to become a King, which implies being the one who is responsible and willing to direct their own destinies as well as those around them. This opportunity comes rarely in life. Some cards will never have the King of Spades Long Range, while others may only have it once at most. Maximize this special influence while it lasts.

You can have some achievements during this three years, but it is likely that you will not know what your true direction should be until sometime during the Pinnacle Year. Be patient and prepare for the new cycle.

Regardless of where you are at, two years after the Pinnacle Year (five years from this year), you will arrive in what we call the 'most blessed position' and during that year, you will receive that which your heart desires most. This is indeed one of the most significant cycles in a person's life.

Your Birth Card is in the Pinnacle Position this Year

You have arrived at a very significant year of your life, perhaps the most significant year. Because your Birth Card is in the 'Sun' or 'Pinnacle' position, this year will mark a great transition for you in some respect. It's effects can vary depending upon your circumstances so read carefully to determine which category you fall in.

If you have been steadily climbing up the ladder of success and have a clear picture of what your goals and purposes are, this year could see you rising up to claim the brass ring of achievement. In a sense, the Pinnacle position represents reaching the top of your profession or dreams. Many have claimed the highest successes in this auspicious year.

If, on the other hand, you have been searching for a direction to go in your life, this year will likely see you finding that direction and it might just surprise you as to which way you end up going. Be prepared to make a large-scale transition into something different than you have done before.

Even if you have no particular career ambitions, this position guarantees that a chapter of your life is completing and that you will be moving on to new and better things sometime during this year. This is a year of change. Something of your past must be given up to make way for the new future that awaits you. Regardless of what that is, you will be happier as a result.

Two years from now you will be in your 'Most Blessed' year. During that year you will receive whatever it is that your heart desires the most. For this reason, you are in the middle of one of the most important cycles of your life.

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

You Are in the 'Most Blessed' Position This Year

Your Birth Card falls in a very auspicious position this year, the spot in the very center of the Grand Solar Spread known as the 'Most Blessed' position. This position has what we call a 'double Jupiter' influence. Because of the fortunate effects of Jupiter, you are absolutely going to receive a tremendous blessing this year. In effect, you will receive the thing that you want most in life. However, this will be the thing that you truly want in your heart, not just some fanciful wish that your mind plays with at times. Whatever you wish for most and that thing that will bring you the most true happiness will come to you this year. Therefore, this is a very auspicious year for you and one that marks the end of a long cycle in your life.

If you are a materially minded person, this wish may manifest as greater financial blessings or something on the mundane level. However, it will only come to you if this thing will truly bring you more happiness and peace of mind. For spiritually minded people, prayers are answered and major turning points in life are reached. Many embark on a higher path at some point during this auspicious year.

This year will help to show you that there is much in this life to be grateful for. By having more gratitude for everything in our life, we multiply our abundance and attract more prosperity.

This is Your Rebirth Year

At Age 45, each of us experiences what we call the Rebirth Year. For most people, this means they return to their original location in the Grand Solar Spread, the same place we they were during the first year of life. We also have the same cards in this Yearly Spread that we did during the first year of our life. For all of us, this year is very significant and yields a special opportunity for advanced spiritual development.

During the Rebirth Year, we experience the very same cards that we were born with in our Life Path. However, now, we have grown in our understanding of our life and so we have the opportunity to remake our life on a higher level by accessing the higher sides of each card.

This year is, in many respects, the pattern-setter or tone-setter for the second half of your life. It is the microcosm that projects into the macrocosm that is the rest of your natural life. Thus, it is more important what you do this year than most other years of your life. Fill this year with all the healthy, loving, inspirational and life-expanding activities and relationships that you want to have as a routine part of your life. By doing so, you gain a measure of conscious control over how the rest of your life will turn out.

Every card in our Yearly Spread has a higher form of expression and a lower form. Read the cards in this year's spread very carefully and see if you can discern the difference between these higher and lower expressions. You can consciously choose to access the higher sides of each of these cards. Using your will and conscious intent, you are now able to not only influence what happens to you this year, but also what will happen to you for the remainder of your life. You will face the patterns that you were born with (since these are the same cards you were born with) and also have a second chance to set new patterns for each of the cards in your Life Spread. Good luck in this special year of opportunity and challenge.

You Have Good Career Influences This Year

Because of the position of your Birth Card this year, there are opportunities for you to achieve a larger measure of recognition in your work. Of course, if you are not career or business minded, this influence will have little effect on you. But for those who are trying to get more recognition or wish to become better known, this is a year when some of those dreams will come true.

The cards in your Birth Card's Yearly Spread will rise up to the 'Crown Line' sometime this year and because of this, people will begin to pay more attention to what you are doing. You could achieve some sort of award or merely become more recognized in your field. Many people receive promotions during years such as these. Just how it will manifest will depend upon the nature of your work or aspirations. Knowing, however, that these influences are present, it would be advantageous to put more effort into becoming recognized.

You can find your True Purpose this Year

There is at least one occurrence of a Six card in your reading in a prominent position (Long Range, Pluto, Result, Environment or Displacement). This might be in either your Birth Card Spread, or your Planetary Ruling Card spread. Either way, this gives you a special opportunity, but one that is only taken advantage of by those who are aware of it. Sixes give us an opportunity to discover what our true purpose is for our life. Most people search their entire life to discover what their life is about and whether or not they have some special purpose or goal that they are to achieve during their time here on the planet. Many never find this purpose at all. Because of the presence of a Six card in a powerful position this year, you will have a special opportunity to discover what your purpose is. Of course, this only applies to you if you have the desire to know. If you are not that interested in knowing more about your life's direction, this will probably manifest itself as a year of steady progress towards existing goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

Study any and all Sixes that you find in these prominent positions this year, along with other Sixes that appear in your Yearly Spreads. They will reveal

Auspicious Events Occuring at Age 51

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

This is a Major Completion Year for You

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

Whatever the nature of the endings in your life this year, be glad that you have reached the point in your development that you are ready to move on to better things and relationships. We are often afraid to let go of things that have become so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

If you have more than one occurrence of a Nine in these prominent positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

Study whatever Nines you may find in your Yearly Spreads carefully. Each one will reveal the specific areas that you may be encountering some important completions.

Auspicious Events Occuring at Age 52

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

You are in Your 'Critical Year'

Research has shown that the Age 52 year is one of great significance. In one manner of speaking, it represents an important decision that is made in our life - the decision to truly live or not. To truly live means to make choices from that part of us that loves our life and is glad for the opportunity to be here on the planet. The opposite of this is to live our life always from our fear side, always sacrificing that which would make us happy by doing everything in our power to avoid that which we are afraid of. All of us have fears and all that separates those who are 'alive' from those who are 'dead' is the ability to face these fears and to make conscious choices in spite of them. It is only those who never question their fear-based decisions that end up in lives that are going nowhere, lives that have little happiness or joy.

During this year, you will be given an opportunity to deal with several of the most important fear-based challenges of your life. To a large extent, these challenges are signified by your Environment Card in your Birth Card's Spread. It would be a good idea to study the significance of this card carefully. In some way, it represents one of your most important lifetime challenges. What's so important this year is that though this card represents a lifetime challenge, because it falls in the Environment position, it is literally given to you as a blessing without effort this year. It will be very easy to deal with this card this year and to access it on it's most positive and powerful side. Therefore, it can represent the last opportunity in this lifetime to overcome this challenge. It seems to be true that those who do not 'get it' during this year, never do. It represents a final and loving call from our soul to rise up and claim our birthright of happiness and joy.
