LOVE CARDS 

## *How to get the most from this Relationship Report*

*The success of your relationship is never determined by your Birth Cards or your connections alone. Though some cards have it easier than others in this important area of life, ultimately it is each individual who holds the responsibility for the success or failure of their relationship. This report will act as a guide to help you achieve that success if that is what you truly want. Pay special attention to the affirmations listed for each connection in this report.*

Welcome to your personal Love Cards report. The purpose of this report is to reveal as much information about you and your partner as possible, using an ancient and highly accurate system called The Book of Destiny. It is our hope that this report will enlighten you a little, and maybe even help you to make more powerful and happy choices in the areas of love and marriage. This report will explain many things about you, your partner, and how the two of you interact. However, in no way is this meant to tell you whether or not you will be successful as a couple. That success is always in your hands. No matter what connections you share, this relationship can be successful if both partners want it and are willing to commit to making it happen. However, you may discover herein just how easy or challenging that may be for the two of you.

Your Relationship Report consists of two separate parts. The first part is where you will find the description of each of your Birth Cards and Planetary Ruling Cards, if you have them. This section will reveal some of your personality traits, values, and other factors that make each of you who you are. You can get a basic feeling for each of you in this section and perhaps get a new perspective on who you are. This section may also reveal some of your relationship patterns - what sorts of people you are each attracted to, whether you are inclined to commitment or not, and other factors that may influence your love life.

Once you have learned something about each of you separately, you are ready to learn about how the two of you connect energetically. In the second part you will find out exactly what 'connections' you share with your partner that explain what each of you experiences when you are together. This is where you will find out what areas are easy or challenging for the two of you, what things you may like or dislike about your partner and why. Your connections explain how your relationship will be experienced by both of you. Some connections are good for sex, others for marriage, and others for working or business relationships.

This report was created with the intention of opening up doors of understanding and awareness. May your awareness grow and along with it, your understanding of your life and your happiness with it.

## All about Angelina`s Birth Card

*Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.*

The King of Diamonds Person

The Businessman's Card

The King of Diamonds is the master of values, finances and business. In this regard he or she can do very well in any business pursuit, applying their inherited knowledge to their work with much success. These people are always more successful as heads of their own business rather than working for others. They can be very mercenary when it comes to money and business, but they don't have to be.

This is the only 'one-eyed' King in the deck, which tends to blind them to certain aspects of life and situations. This can also make them very stubborn and see things from only their side of the issue. King of Diamonds are known to make enemies for this very reason. Perhaps the upraised 'battle-axe' on their card represents a fondness for competition. However, all of them know what is of real value and if they follow their knowing instead of their fears, they can be the most respectable people in the business world. They must always guard against using their power to get things to go their way at the expense of others. With so much inherent power, the King of Diamonds can avoid dealing with their feelings and this is where many problems are created. There are often emotional issues from childhood that must be dealt with before the higher side of this card can be manifested. Until then, they can appear cold and ruthless.

They are very creative and can make huge amounts of money by using this gift. The King of Diamonds are powerful people who can do much good in the world and can be examples of those who are 'in the world but not of it'.

Some of the King of Diamonds Issues Concerning Relationships

The King of Diamonds is one of those cards that doesn't have any particular good or bad relationship karma. However, being Kings, they are quite powerful and unwilling to compromise, which can cause problems on the personal level. The women, especially, have to find a way to balance their strong masculine side in the context of a relationship where the accepted norm

### *All about Angelina`s Birth Card*

is the 'retiring female'. They tend to want to dominate or at least be an equal to their mates and not many men are willing or able to deal with such power in a woman. Some of the women give up trying after a few unsuccessful attempts. Some of the men do likewise. Both sexes can be guilty of looking at love and marriage strictly from a financial point of view. It is always best for them to keep their business and love life separate until they find the right match.

Both sexes could learn to express their fears and emotions to have better luck in romance or marriage. Honest communication bridges the gap and brings more intimacy. They are attracted to those of wit and good education and are often found working with their spouse in a business.

### *All about Angelina`s Planetary Ruling Card*

*The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.*

#### Six of Hearts as Your Planetary Ruler

This card makes you a 'peace-maker' and you will find yourself in the position of mediator from time to time as a result. You have the ability to see both sides of any personal conflict between people. You enjoy seeing things turn out right and will often get involved if there is injustice being done. You will always want to see that what happens is fair and equitable. You really know what is fair and what is not. You can be very competitive. Though a peace-loving person, you will probably return 'an eye for an eye' when you are crossed. Many people with this card excel at sports or other competitive activities. You could even become a lawyer. You will feel often that your personal life gets into a rut. Once you get comfortable with a certain person, it is usually hard for you to change, even when you may want to. You will usually wait to see what will come your way instead of going out and making it happen as far as your love life is concerned. Indeed, most of your important personal relationships are 'destined'.

## All about Brad's Birth Card

*Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.*

The King of Hearts Person

The Father Card

Standing at the top of the suit of love, the King of Hearts recognizes that love is the highest power of all. These people make devoted parents, but not always the best spouses. Their devotion to their children and profession often displaces the love they would give their spouse. They do love everyone, forever, its true, but sometimes the wrong associations bring problems. They should be careful of mixing with people with lower motives and lifestyles in this regard.

These people can be overbearing, as all Kings can, but this is only the case when they have been betrayed by those they hold closest to their hearts. From past lives, they bring with them the knowledge of mastery of their emotions and of their family life. Consider yourself blessed if they consider you to be one of their 'family'.

The King of Hearts can excel in business, especially as a dealer or advisor in the finances of others. They have more success in association with others or in partnerships than alone. They have better than average luck in legal matters as well. It is not wise to argue with them. Their keen minds can always find a suitable response.

There are inevitable losses of loved ones in their lives but they know the truth and can let go though they still feel the pain. Many of them are mentally gifted and sometimes psychic. Much knowledge just flows to them and they use this to rise up to the top in their careers.

Some of the King of Hearts Issues Concerning Relationships

Many say that the King of Hearts makes a great lover and father but a lousy husband. As in all the Kings, the power can be used or abused. They are the 'Kings of Charm'. So, we find as many 'playboys' among them as in the case of the Eight of Hearts. The women have a problem in that they are so powerful and headstrong. They can usually stand up to any man and they would like to

## *All about Brad`s Birth Card*

be the head of their household. This can be difficult for a male partner to deal with. When the female King of Hearts is upset, she can be very sharp tongued and all her mental power will be turned against you.

Their pattern indicates that there will be some fated relationships that occur to reflect back to them their own indecisive nature and the consequences of it.

## *All about Brad`s Planetary Ruling Card*

*The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.*

### Two of Diamonds as Your Planetary Ruler

This ruling card gives you a lot of success with work and finances. You have an ability to find the right people to help you achieve your goals and you are not lazy. You are bound to have some very prosperous cycles in your life, much more than the average person. You have a keen and logical mind that you depend upon for much of your success. But in personal relationships, your logic is more of a hindrance than a help. An inner desire for love and affection competes with your natural ambition in work matters and it seems difficult to have satisfaction in both areas at the same time. In general, you would tend to focus more on your work, where it is easier to manage. Emotionally you have a lot of work to do. You must also watch out for some fixed principles about love or marriage that causes you to stay in bad relationships much longer than need be.

## *All about the Love Connections you share*

*Look at each connection between you as a cosmic link that connects each of you to some part of yourself that you want to look at, develop or explore in some way. Your partner is your mirror into your own soul.*

This report uses the most advanced techniques available to give some real insight into the inner workings of your relationship. Using the ancient system, now known as the Book of Destiny, it determines the energy 'connections' that reflect exactly how the two of you interact. These connections are essentially described as planetary energies, for example Mars or Venus. Some connections are harmonious, while others create certain kinds of friction or stress between you. All of the connections between you serve an important purpose and contribute to the experience that you share. Keep in mind that most connections have a higher expression and a lower one. The affirmations given for each connection indicate how to access the highest expression of each one.

The connections are listed in the order of their importance. The first connection is the most important and the second is the next important, etc. But even the last connection between you probably manifests itself in your experience together. Therefore, regard all of them as having some important information for you.

You may have only a few connections, two or three, or you may have as many as fourteen. Each couple has a unique number and kinds of connections - as unique as the love and feelings they share for each other.

Look to see if you have more than one kind of connection between you. For example, you may have a total of two or three Mars connections between you. When this is the case, you should study these connections carefully, realizing that this probably indicates some of the most important reasons that you are together and the issues that you most often face together.

Finally, there are no bad connections. If we are attracted to someone so much that we spend time with them, there are important reasons for this. The descriptions of the connections in this report can help you understand why you have made the choice to be together, which can in turn help each of you to understand your individual personalities and needs better. Of course, some connections indicate stress and challenge, but this is because we often use relationships as the vehicle through which we resolve our own inner conflicts. If the love is there, there are many good things for each of you to gain from being together.

## *The First Connection Between You*

Angelina

Brad

*Your first connection is always considered the most important of all and, in most cases, will represent the dominant pattern that is your relationship. Study the connection described below carefully, as it may reveal some hidden opportunities for the two of you.*

Brad is the Moon Card to Angelina

Location: Life Spread

Of all the connections that exist among the cards in the deck, the Moon connection is probably the single most powerful one when it comes to decisions about long term commitments. When someone is our Moon card, we feel very close and comfortable with them.

In this relationship, Brad is a Moon Card influence to Angelina. His presence in Angelina's life is like a healing balm that soothes her. He provides Angelina with nurturing support and a sense of foundation, security, home and settledness. Angelina, on the other hand, brings many good things into Brad's life. She brings new ideas, fresh perspectives, new information, a broadening of experience and important direction for the relationship. In this relationship Brad and Angelina have a strong communication link. This makes it easy for them to share ideas, thoughts and feelings and makes this one of the highest connections that exists for overall compatibility. Whether they realize it or not, Angelina is the so-called 'leader' of this relationship. That is the nature of being the Sun Card in a Sun/Moon relationship.

When we envision the ideal male/female relationship, a symbol that comes to mind is the Sun and Moon. One rules the day, the other, the night. One is fire and the other water. Together they balance each other out and fulfill each other's vacant spots. The Sun warms the water (Moon) and the water cools the Sun. This is the most ideal connection for a couple who have these essential male and female qualities and nearly guarantees the success of the relationship. Thus, it is not surprising how many successful marriages are based upon this important connection.

Keep in mind though, that this connection only supports partners who are willing to play the Sun and Moon roles. Some Sun/Moon relationships have ended unsuccessfully because one or both of the partners was unwilling or unable to play the role dictated by this connection. What this means for this relationship is that if Brad is not willing to be the supportive, nurturing person in this relationship, or if he is unwilling to take the back seat to Angelina in key situations, this relationship may not last. Likewise, if Angelina is unwilling to

*The First Connection Between You*

Angelina

Brad

provide leadership, perhaps because she doesn't have any clear direction for her life, then the same result is likely.

However, when two people become involved with this connection they are usually willing to play these roles. On a basic energy level, the roles are demanded of them and usually dictates how they are together. When Brad and Angelina are harmonizing themselves with these roles, much happiness and satisfaction is the result. This is a relationship that could easily last a lifetime. There just is no better connection for compatibility and long-term harmony.

Affirmation for Brad: I am very grateful for Angelina's presence in my life. She is a breath of fresh air that is always bringing me new and wonderful things. I love our communication together and enjoy being Angelina's support person. It feels natural to give of myself in this way.

Affirmation for Angelina: I am grateful for the presence of Brad in my life. I feel that I have found a perfect partner that supports me in the directions that I feel are important in my life. I appreciate all the wonderful things that he does for me and our easy and natural communications.

## The Second Connection Between You

Angelina

Brad

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

Brad is the Mars Card to Angelina

Location: Life Spread

Brad has a definite impact on Angelina in this relationship. He has a way of making Angelina feel stimulated. Often this stimulation can be of a sexual nature. For this reason, the Mars connection is often a deciding factor in our choice of partners. There is no doubt that Angelina was or is attracted to Brad on this level. She may enjoy this energetic connection or, at other times, be annoyed by it. If Angelina sometimes gets mad at Brad, this is because Mars energy can be destructive at times if not harnessed and channeled into positive pursuits. The things that turn Angelina on may also be the same things which anger her at other times. This is how Mars energy works with everyone. It is a fact that the relationships we desire the most are usually the ones that can stimulate the most hostility at other times. When Mars energy is not used constructively it can result in fighting, resentment, hostility and in some cases, all out war.

But Angelina can use this information and consciously transform the often negative effects of this Mars connection into positive directions. It is not that difficult to keep a Mars relationship healthy. It just requires some awareness and thoughtfulness. Brad can actually be a catalyst to get her out of the house and doing things. To give this powerful Mars energy something constructive to do, it is recommended that Brad and Angelina go outside and do things together, or at the very least, find something productive to do together with this energy. Couples with this connection usually go walking, hiking, jogging, riding bicycles or participate in other forms of physical exertion. All of these and others serve to exhaust the Mars energy and satisfy it. When they do these sorts of activities together, they will always notice that they feel better, both personally and about each other, afterwards.

If Brad and Angelina have any desire to work together, they have found the perfect partner to do it with. Many successful working partnerships have this valuable Mars connection. But even in this case, Angelina should be on the lookout for the anger and competitive sides of this influence.

Because Angelina is the one who is on the receiving end of this powerful

### *The Second Connection Between You*

Angelina

Brad

Martian force, it is likely that she has 'anger issues' to work out that are stimulated by Brad's presence in her life. It may appear that Brad seems intent on doing things that make her mad, even without knowing it. If Brad realizes this, he will be less likely to take offense at her reactions and words. In fact, Brad is probably not doing any of the things that Angelina thinks he is doing. This connection tells us that Angelina is the one who is the most influenced by this connection, and so she is also the one who bears the greatest responsibility for dealing with the emotions that are associated with it. If there are other Mars connections between them, this becomes even more important. Anger is actually a mistaken belief that others are intentionally disregarding us or trying to hurt us in some way. This 'misbelief' can be dismantled with awareness of what is going on and maintaining good communications.

This connection provides a lot of the spark and magic in this relationship. If Brad and Angelina use it with care, it can bring them much of what they want out of life. Any negative manifestations of this powerful energy can be controlled and eliminated through conscious awareness and when this is the case, it becomes like a genie in a bottle who can grant them all their wishes.

Affirmation for Brad: I am aware of how much I stimulate Angelina and understand her feelings. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Angelina: I accept Brad as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to him. With his help, I am diffusing my own anger and channeling my energy into positive directions.

### *The Third Connection Between You*

Angelina

Brad

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

Angelina is the Venus Card to Brad

Location: Life Spread

This is a wonderful connection for any kind of relationship and guarantees that Angelina and Brad can be good friends at the very least. The fact is that they both have a lot in common. This gives them many things that they can share and do together. It is a wonderful sign of compatibility and adds a lot to the potential of this relationship to be successful.

In particular, Brad just adores Angelina. Even though he may get mad at her at times or irritated by things she does or says, there is an underlying current of love that is always there that Brad can tap into and experience at any time. This essential compatibility helps them be 'friends first, everything else second' in their relationship. This 'friends first' attitude will help them when conflicts arise. It will allow them to let go of personal demands in order to be a friend to their partner. This can have a powerful positive effect on the relationship and allow them to resolve difficulties in a relatively short amount of time.

It is also very likely that Angelina and Brad have a similar, if not the very same, set of values. This means that they give importance to similar things in life. They may have similar life goals or directions, or merely like the same kinds of pleasures.

This is also a pleasure aspect. Sexually, Angelina and Brad should be very compatible. They will enjoy similar experiences and have similar likes and dislikes. This makes their time together more enjoyable and gives them many options and possibilities of things to do together.

Put all of this together and we can see that Angelina and Brad have very good chances of success as a couple. Unless other connections between them conflict heavily, this one connection alone can be a guarantee of high compatibility. To get the most out of this connection, Angelina and Brad only need to remind themselves from time to time of all the wonderful things they share and focus on those things.

### *The Fourth Connection Between You*

Angelina

Brad

Brad is the Neptune Card to Angelina

Location: Spiritual Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

This is the strongest psychic connection that two people can have. It is a psychic link that exists because the two people in this relationship shared a past life together in which there was a lot of attention placed upon the idealism of their being together. They could have easily been co-members of some religious or spiritual fellowship, sharing the same beliefs and religious practices. They probably had the same goals of helping humanity or of spiritual attainment in that lifetime. In this lifetime they come together with a strong spiritual and psychic bond that is often difficult for them to describe.

What is interesting is that in the current lifetime, neither one of them may even have any interest in spiritual matters. When this is the case, we usually observe that their relationship instead has a lot of idealism and fantasy involved in it. This would be especially true if this connection is one of the first between them. Angelina is the primary receiver of this Neptune energy and so she is the one who is more likely to have ideals and fantasies about Brad and their relationship. Indeed, one of the reasons for their being together may be for Angelina to learn the difference between dreams and reality. We all have some unfulfilled soul-level fantasies that are strongly stimulated when we meet someone who is our Neptune Card. It is through these relationships that we get a chance to experience the pros and cons of these kinds of energies and just how our dreams and ideals work themselves out in this material world.

For this reason, this connection could add a very positive element to this

### *The Fourth Connection Between You*

Angelina

Brad

relationship or it could be the cause of a lot of confusion and disappointment. If Angelina projects many of her fantasies and unfulfilled desires onto him, Brad could feel as though she does not love the real him, only her projections. This could make Brad tire of this relationship as he is not being loved for who he is really is. Or, he could use the fact that Angelina is somewhat deceiving herself to take advantage of her weakness and go along with the deception in order to get things from Angelina that he wants. These are some of the more common, negative expressions of the Neptune connection.

The positive expressions of this connection are great, wonderful and unusual romantic beginnings, inspiration in being together, an incredible psychic link to each other and romantic feelings that never die. On the spiritual level, Brad and Angelina may feel as though they have a special purpose in being together, one in which they will help the world in some significant way. To keep this relationship on the positive side, Brad and Angelina only need to have an awareness of all the manifestations, both positive and negative. By just being aware, they will always have a choice in how they want this connection to add to their lives together.

Affirmation for Brad: I realize the unusual power I hold over Angelina and consciously direct our activities together in positive directions. I realize that I may not be all of what she thinks I am, but I am encouraged by her seeing the highest in me. She inspires me to reach my full potential and for this I am grateful.

Affirmation for Angelina: Brad reveals to me my deepest dreams and desires and in many ways he fulfills them. I use his influence to inspire me to do my best and to reach my fullest potential. I am grateful for Brad's presence in my life.

## The Sixth Connection Between You

Angelina

Brad

Angelina and Brad are Mars to each other  
Location: Life Spread

This connection is probably one of, if not the most, energetic connection that any couple can have. Mars produces energy, passion and irritation. It stirs up a lot of energy that must be harnessed and put to use, or it will tend to be destructive and conflictive. In this relationship Angelina and Brad both inspire Mars energy in each other. This serves to double and even triple the Mars energy between them. Therefore, these two will be having to deal with both the positive and negative effects of this Mars connection for the duration of their relationship. With conscious awareness of what is going on, they can harness this powerful connection to accomplish many things and develop an active and enjoyable life together.

Mars connections can be very good for sex, and for working together. Mars is a passionate planet, and inspires us to do things passionately. Sexually, this aspect produces a lot of pure physical attraction, and it is usually mutually experienced by both partners. Also, this connection is one of the very best for couples who work together. Sex and working together are both ways in which this powerful Martian energy can be expressed in positive ways. Many successful working couples have at least one Mars connection between them. In the case of Angelina and Brad, it is like having two or three connections in just this one. Other positive expressions of Mars energy include hiking, jogging, biking or walking together. Dancing, working out and any other form of shared physical exertion are highly recommended. Otherwise, the negative expressions

of Mars energy will predominate. These include fighting, blame, hostility, all forms of abuse, and lots of arguments. Just think of Mars as a magic genie who will grant all of your wishes with one condition - you must keep her busy. If you don't give her something to do, then she will come after you and try to kill you.

Angelina and Brad will have to take great care in this relationship not to allow the negative aspects of Mars to captivate all their attention. This much Mars energy can easily have them getting angry with each other on a frequent basis. Couples who have Mars connections are often drawn together because they have habitual patterns of blame and anger with which they approach their closest relationships. Mars connections give them the opportunity to work on these patterns, which can be holding them back in many areas of their life. There are definitely things about Angelina and Brad that can irritate each other, because on some level each of them reminds the other of some of the things that she or he doesn't like about themselves. Each of us has some things that we don't like about ourselves, things that we get mad at ourselves for. When we meet someone who is our Mars Card, they will remind us of those things. Initially, we may get mad at them and think that they are the problem. Closer analysis reveals that it is only that they are reminding us of these inner conflicts that we haven't resolved. So, in essence, a Mars relationship acts as a catalyst to help us learn to love ourselves. But sometimes it takes years before we begin to realize that the problem is within us, and not in our partner. Getting beyond the stage of blame to the stage of self-reflection is an important step that anyone with anger issues must make. Because of this strong Mars connection, there is a good chance that both Angelina and Brad have some anger issues to work on.

Keeping all of this in mind, Angelina and Brad can use this powerful Martian force to accomplish many good things. If they are both career-minded, this energy can inspire them into productivity and accomplishment. Even if they do not share career ambitions, this energy can help them get more physically active and healthy. There are many wonderful uses for this Martian force and Angelina and Brad can have a lot of fun discovering them.

Affirmation for Angelina: I am aware of how much I stimulate Brad and

understand his feelings because I can see how Brad stimulates me as well. I take full responsibility for my own anger, seeing that it resides within me first. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Brad: I accept Angelina as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to her. This relationship represents a wonderful opportunity for me to release my anger and transform it into positive, creative energy that can benefit my life in many ways.

Angelina and Brad are Mars to each other  
Location: Spiritual Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

This is a powerful, past-life connection that often draws two people together like a magnet, in order to resolve some unfinished business from before. Because it is Mars energy, the reasons and ways that it can be expressed in this lifetime can vary. Mars can either be expressed as passion and activity, or as anger and hostility. Either one or both of these sides may be expressed in this relationship between Angelina and Brad and it is largely up to them as to how this connection will affect them.

First of all, we know that their interaction in that former lifetime was one that left some unfinished business. There are several possible scenarios and it could be either or all of these that are responsible for this connection. They could have been a couple who had a great, but unfulfilled passion for each other. Some circumstances in that lifetime prevented them from consummating this passion. Now, in this lifetime, they will feel an immediate and powerful physical attraction that feels very good to satisfy. Some great love affairs have this double Mars connection. On the other hand, Angelina and Brad could have been brothers or fellow warriors in a lifetime in which they shared a lot of Martian activities such as competitive sports or battles. In this case, they come into this lifetime with a healthy competitive spirit between them, one that

encourages each of them to excel and to stand up for their ideas and beliefs. However, this connection can also be the result of having been enemies in a former lifetime which ended with a lot of animosity and hostility between them. In this case, the reason for their attraction to each other will be to resolve this conflict. Animosity and hostility, along with unresolved blame and anger, will continue to draw us to another person until it is resolved and transformed into friendship, or at least mutual understanding and respect.

Angelina and Brad can examine their feelings for each other, along with the other connections between them, if they want to determine exactly which of these possible past-life scenarios applies to them. For example, if they have many other harmonious connections, such as Venus and Jupiter, it is more likely that they are here to fulfill the passionate and romantic aspects. Other connections such as Saturn, Pluto, Cosmic Reward and even Uranus, may indicate the other competitive and conflicting past-life influences. As mentioned earlier, it may be one, all of them, or a unique combination.

This connection does guarantee that there will be a lot of energy between Angelina and Brad, energy that must be handled with awareness if they want to get the best out of it. It also tells us that Angelina and Brad will be dealing with some anger and competitive issues as well - regardless of which past-life scenario they identify themselves with. Even in the best of circumstances, Mars will occasionally bring up some anger and arguing. In the worst case, there could be physical and other forms of abuse.

Regardless of how it is expressed by Angelina and Brad, they can consciously transform and use this energy to their advantage if they are willing. Mars relationships represent a great potential that must be consciously taken advantage of. To do this requires two things. First they must consciously engage themselves into positive activities together. It is not good enough for only one of them to do them. If they go hiking, jogging, swimming or dancing together, they will funnel off much of the negative part of Mars. The more shared physical exertion the better. Next, they both have to work on their anger and blame. Beneath all anger is a fear of one kind or another. If they examine their feelings when they become angry with each other, they will be able to find the fear that lies beneath it. If they can communicate this fear, the anger

disappears. Both of these things are very doable and will have a transformative influence on this relationship.

Affirmation for Angelina: I am aware of how much I stimulate Brad and understand his feelings because I can see how Brad stimulates me as well. I take full responsibility for my own anger, seeing that it resides within me first. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Brad: I accept Angelina as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to her. This relationship represents a wonderful opportunity for me to release my anger and transform it into positive, creative energy that can benefit my life in many ways.
