## All about Jerry`s Birth Card

*Our Birth Card is the most important symbol of who an individual is in this lifetime. It is the card that lies at the core of our being, and through which we have the greatest gifts to share with those around us. It is also called the Sun Card and the Soul Card. For most people, the Birth Card is the purpose behind whatever work they are doing. It usually is the gift that they share with the world through their work, and thus it is very important to gain an understanding of that card for each person.*

### The Seven of Diamonds Person

The Seven of Diamonds is one of those unique cards called a 'semi-fixed' card. As part of a special family of seven uniquely different cards, these people fall into a different category and have a special mark on their lives. They are fixed and very stubborn, but they are also extremely creative and some are destined to become millionaires in this life by accessing the high side of this spiritual money card. By suit, they are always connected with money. As a spiritual number, they must maintain a non-attached attitude about money or there will be continuous problems in this area. We find they are either worrying about it all the time or not worrying and having as much as they like. Regardless, many of their life lessons will come through this avenue.

Seven of Diamonds love business in all forms. They can apply a special creative flair to whatever business they are in and come up with a winning combination. Some of their ideas are absolutely spectacular and can attract a lot of money quickly.

Close friends and associates are like family to the Seven of Diamonds. Once you are accepted into this inner circle, there is little they will not do for you. They are very people oriented and make sure that everyone in their family is well taken care of. If you need anyone when you are in dire need, they should be the first ones you call.

They are usually restless, making frequent changes in either occupation or location. Travel usually brings a refreshing change that brightens their spirits. Their work can also involve travel effectively and successfully.

### Some of the Seven of Diamonds Issues Concerning Relationships

Seven of Diamonds are pretty friendly to all, even with those that they do not agree with or necessarily get along with that well. They value harmony in their environment and can switch into their 'care-taking' role at any moment if they feel it will smooth out a rough situation. Overall, they would add fun and friendliness to any situation.

## All about Jerry`s Planetary Ruling Card

*The Planetary Ruling Card acts like a second Birth Card to give a new slant on the personality and character traits of each individual. It is very important in terms of working relationships since it represents the part of each person that they identify with the most. For each person, this is the card they act out of and through, so it becomes very important in knowing the true nature of these two.*

### King of Diamonds as Your Planetary Ruler

This ruling card adds a lot of power to your personality making you someone to be reckoned with. Your power can be best expressed in a business enterprise where you have some natural abilities that make success almost certain. Be sure that you are the one in charge because this is where your real power comes through. This card gives you a lot of strength to overcome obstacles and to accomplish your goals. This same strength makes you stubborn at times. Because you are a self-made person, you tend to see things exclusively from your own point of view. You are powerful and others feel that power whether or not you are aware of it. You have leadership ability that magnifies when you are in positions of responsibility.

## All about Dean`s Birth Card

*Our Birth Card is the most important symbol of who an individual is in this lifetime. It is the card that lies at the core of our being, and through which we have the greatest gifts to share with those around us. It is also called the Sun Card and the Soul Card. For most people, the Birth Card is the purpose behind whatever work they are doing. It usually is the gift that they share with the world through their work, and thus it is very important to gain an understanding of that card for each person.*

### The Ten of Diamonds Person

This is a card of big business. Whether or not the native of this card realizes it, he or she has inherent business ability. Not only that, but also the bigger the business, the better. They also have a certain amount of good fortune that seems to smile on them when they most need it. They are actually one of the most fortunate cards in the entire deck. However, one of their life issues is to realize just how fortunate they are and to all good fortune to come to them without trying to take it from others. On the low side, this card can be mercenary and selfish. With such high ambition and such a goal-oriented personality, this is usually expected. They are the most motivated by the recognition and attention of others and money, which generally is their barometer to self-worth. On the positive side the Ten of Diamonds is capable of accomplishing a great deal. The old saying of 'if you want to get something done, give it to a busy person' applies to them. If you want to keep their interest, however, you must provide them a path to the achievement of their personal goals.

The Ten of Diamonds is also well suited for leadership. However, some of them may have to overcome an inferiority complex in order to realize this. Self-confidence is an issue in most Aces and Tens. Every Ten of Diamonds will be faced with that issue at some point in their life and it will probably be the deciding factor that lies between them and the fulfillment of their most cherished dreams. Encourage them to take charge and watch the magic happen.

### Some of the Ten of Diamond Issues Concerning Relationships

Ten of Diamonds can work cooperatively, as long as they are getting a good bargain against their personal ambitions. They are self-oriented but not recluse. They enjoy others and like to be the center of attention. They may do better in groups than in a one on one partnership. They are rather impatient and tend to drive themselves hard and thus may have a hard time with others who are too laid back, lazy or who lack intelligence. If coupled with other

goal-oriented individuals, they can achieve much in a small amount of time.

### *All about Dean`s Planetary Ruling Card*

*The Planetary Ruling Card acts like a second Birth Card to give a new slant on the personality and character traits of each individual. It is very important in terms of working relationships since it represents the part of each person that they identify with the most. For each person, this is the card they act out of and through, so it becomes very important in knowing the true nature of these two.*

#### Eight of Spades as Your Planetary Ruler

This ruling card adds a great deal of power to your personality, making you someone to be reckoned with on a personal level. It could also make you a workaholic. You probably attract others who are also powerful and in these relationships will resolve some of your power and control issues. You have a strong desire for work and to make money, but you must be careful not to abuse others to acquire your goals. Your power can be used for healing or to do many other good things. You probably have more energy than the average person and may seem to be somewhat of an extremist at times. But you learn by doing and trying things yourself. This card gives you the strength to overcome any obstacles and problems that come your way.

## *All about the Card Connections you share*

*Look at each connection as a link that connects each person to some part of themselves that they want to look at, develop or explore in some way. The partners in this relationship are mirrors to each other and the connections describe what they see.*

This report uses the most advanced techniques available to give some real insight into the inner workings of this association. Using the ancient system, now known as the Book of Destiny, it determines the energy 'connections' that reflect exactly how these two people interact. These connections are essentially described as planetary energies, for example Mars or Venus. Some connections are harmonious, while others create certain kinds of friction or stress between you. All of the connections between these two serve an important purpose and contribute to the experience that they share. Keep in mind that most connections have a higher expression and a lower one. The affirmations given for each connection indicate how to access the highest expression of it.

The connections are listed in the order of their importance. The first connection is the most important and the second is the next important, etc. But even the last connection in this relationship probably manifests itself at times. Therefore, regard all of them as having some important information for you.

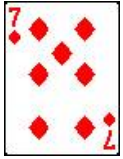

One thing to pay attention to is whether or not the two people in this association have more than one of a certain kind of connection between them. For example, they may have a total of two or three Mars connections between them. When this is the case, it is wise to study these connections carefully, realizing that this probably indicates some of the most important reasons that these two ended up together in whatever capacity they are. It will also indicate a predominant pattern of interaction which could be the real meat of the relationship.

Finally, it should be stated here that there are no bad connections. If we are in a relationship with someone, regardless of the reasons, there are important reasons for this. The descriptions of the connections in this report can help you understand these two have made the choice to be together, which can in turn help them understand their individual personalities and needs better. Of course, some connections indicate stress and challenge, but this is because we often use relationships as the vehicle through which we resolve our own inner conflicts. If the desire to work together is there, there are many good things for each of the two to gain from being together.

## *The First Connection Between You*

*Jerry*

*Dean*

*The first connection is always considered the most important of all and, in most cases, will represent the dominant pattern that exists in this relationship. Study the connection described below carefully, as it may reveal some hidden opportunities for this relationship.*

Jerry and Dean are Venus to each other

Location: Life Spread

This is one of the better connections for any sort of association and guarantees a good amount of compatibility between Jerry and Dean. The closer this connection is to being first, the stronger is the compatibility factor that is enhanced by this connection. In essence, this connection tells us that Jerry and Dean share many of the same likes and dislikes. This means that they have a lot in common and makes it relatively easy for them to be together. People who share this connection will usually like each other from the outset. This will enhance their ability to work together in a business or working situation and enhance their success in that regard.

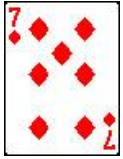

Whether their relationship is as business partners, friends, or casual associates, this connection brings a lot of what it takes to be together in a compatible fashion. Though other connections may bring stress into this association, this connection will go a long way to smooth out any areas of difficulty. It acts as a counter balance to reduce friction and enhance compatibility.

It also has the effect of enhancing the two people's ability to make money. Venus is one of the rulers of finances and this being a compatible connection can help both Jerry and Dean make more money together than they might on their own. You can see how this would enhance a partnership or even just a business arrangement.

This is a mutual connection which is wonderful because the friendship and appreciative energy of Venus is flowing both ways between Jerry and Dean. Each receives good feelings from the other while at the same time having good feelings of their own about the other. There are things that they have in common. They probably enjoy similar interests and like to do similar things that are fun or enjoyable in some way. They probably enjoy the same kind of music, recreation, television shows and other forms of entertainment. If they realize this, they can use this information to great benefit. Whenever they get into disagreements or conflicts, all they need to do is remember all the things

### *The First Connection Between You*

Jerry

Dean

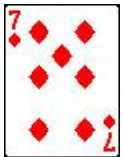

that they have in common and focus some of their attention on them. This 'shifting of their awareness' can be used to mend any fences that may come between them.

So, just what will Jerry and Dean do with a association that has 'double blessings'? The foundation is there to create most anything that they want. The rest is entirely up to them.

Affirmation for Jerry: I truly appreciate having a person in my life with whom I have so much in common. Dean is someone I could know for life because it is so easy to be with him.

Affirmation for Dean: Life with Jerry is very comfortable and easy on many levels. I am grateful for the many things we share and have in common.

### *The Second Connection Between You*

Jerry

Dean

Dean is the Mars Card to Jerry

Location: Spiritual Spread

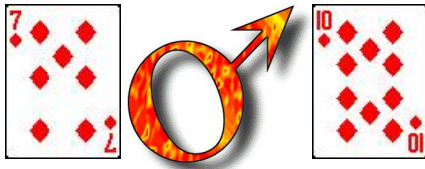

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read the meanings.*

This is one of those 'instant recognition' connections where the parties sense that they know each other the first time they meet. This particular connection is that of the planet Mars, the God of lust and war. The undertone of this connection will be action, energy, competition, passion and aggressiveness. Martian energy is powerful and must be handled with awareness.

In particular, Dean is a strong stimulant to Jerry. He will either excite him into action of some sort, make him angry, or both. Martian energy is power that must be managed and handled consciously if it is to create positive results in our lives. Therefore, Jerry will have a great responsibility to channel this energy into positive activities. Some activities that are good for the positive expression of Martian energy are hiking, jogging, riding bicycles, or working out. Working together in a business is one of the best activities of all. But because of the strength of Mars energy, there are certain things that both Dean and Jerry

## *The Second Connection Between You*

*Jerry*

*Dean*

should be aware of.

Mars energy can easily turn into competition, anger, blame, resentment and in extreme cases, abuse. This occurs when there is no positive outlet for the energy of this connection. By having common goals and lots of things to do, as part of the relationship, this tendency will be lessened greatly. It would always be better for these two if they are not directly competing with each other in work, or if that competition is of a healthy kind, such as a race to see who can make the most sales.

Jerry, in this relationship, bears the greater responsibility for the success of this partnership. He is the one most affected by the Mars energy, the one who is receiving it. Thus, Jerry will be the first to get angry or the first to misconstrue the actions or words of Dean as being harsh or competitive in nature. If Jerry can be aware of this dynamic, he can stop any angry reactions and thus avoid conflict. Jerry may not even be aware that he is doing something that is irritating to Dean. This is usually the case. This Martian energy is directional in this connection and the burden is on Jerry. If other connections imply the opposite then there will be an equal burden of responsibility for angry outbursts or hostility.

In conclusion, this relationship provides a powerful stimulus for both partners, even though Jerry may be affected a little more since he is the one receiving most of the Mars energy. If Dean and Jerry take this energy and put it to work they can benefit from the constructive activities it inspires. They probably were attracted to each other because on some level they wanted to get their lives going in a positive direction. With so much energy at their disposal, there is much they can accomplish, as long as they keep it well-managed and directed.

Affirmation for Dean: I am aware of how much I stimulate Jerry and understand his feelings. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

### The Second Connection Between You

Jerry

Dean

Affirmation for Jerry: I accept Dean as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to him. With his help, I am diffusing my own anger and channeling my energy into positive directions.

### The Third Connection Between You

Jerry

Dean

Jerry is the Venus Card to Dean

Location: Spiritual Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read the meanings.*

People who share this connection usually have an instant liking for each other when they meet. This is one of the highest compatibility connections found and guarantees that even though Jerry and Dean may have many differences in their personalities and characters, they will still probably really like each other and have a lot of ease in working together. They could even become friends outside of work very easily.

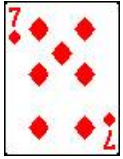

In this connection, Dean is affected by it stronger. He will find that he feels very comfortable with Jerry, tends to trust and him, and can work with him harmoniously without much effort. The level of trust engendered by this connection is a great help to working partnerships or any other sort of working association. Both Jerry and Dean will have similar feelings towards each other as a result of this connection.

This connection also supports financial gain and prosperity. Each will do better, financially, working together than they would do on their own. The sense of ease between them supports having more of all the good things in life. This sense attracts money to them and the work they do. Their harmony together can act like a magnetic attraction upon others that meet them.

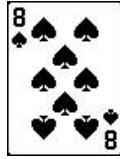

Even if other, stressful aspects are present, this connection has the ability to remedy most problems, especially if it is one of the first three connections found. The more that Dean appreciates Jerry, the better they will do because this connection acts as a self-generating machine of good things for both of them. Mutual appreciation is even better.

### *The Third Connection Between You*

Jerry

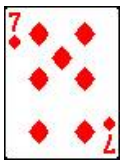

Dean

Affirmation for Jerry: I feel very comfortable with Dean, with whom I share some kind of deep and timeless friendship. I appreciate our compatibility and trust, as that helps both of us do better in our work.

Affirmation for Dean: I experience a lot of appreciation for Jerry that helps us work together well. I cannot explain why I tend to trust and admire him but I can see that these qualities benefit us both.

### *The Fourth Connection Between You*

Jerry

Dean

Dean is the Uranus Card to Jerry

Location: Spiritual Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read the meanings.*

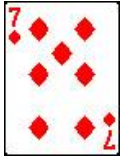

This connection can be good for most any sort of relationship. It is not necessarily recommended for business associations, however, because of its strong freedom aspect. Generally speaking, in the business world, success depends on employees and coworkers being on time and consistent. The freedom aspect of this Uranus connection may hamper Dean's ability to show consistency to Jerry. Keep in mind that this will only be from Jerry's point of view. Dean may actually be very consistent and reliable in every other aspect of his work, and to everyone else in the company. But to Jerry, he will come off as unpredictable, erratic, or unreliable.

However, because this is a Spiritual Spread connection, this tendency by Dean will not necessarily bother Jerry at all. There is likely to develop a strong friendship between these two and the terms of that friendship will allow both Dean and Jerry to be themselves. Thus, this connection does not suggest any friction between them on account of Dean's unpredictable behavior.

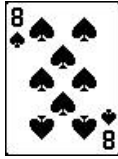

It also will not be possible for Jerry to place huge demands or restrictions upon Dean. But again, Jerry will probably not even want to. There is a mystical sort of energy about this connection that gives both people the desire to extend freedom to each other, freedom to be themselves and to express their

### *The Fourth Connection Between You*

*Jerry*

*Dean*

individuality. For this reason, this would be an ideal connection for two people involved in the arts in any way, or some form of creative work.

The Uranus connection often provides a psychic link between people. They just seem to know what each other is thinking or doing. Sometimes they can transmit thoughts to each other and they 'click' in unusual ways that other people would find hard to understand. It also often creates a deep sense of true friendship with unconditional acceptance. It is really a wonderful thing when a Uranus association is working well. Both people are relaxed and unconcerned as to whether or not they will see the other again or not. They both are aware of their friendship and that is enough. Whatever time they do spend together is enjoyed, and becomes another chapter (and adventure) in the book of their friendship.

Affirmation for Dean: I realize the importance of the freedom that Jerry extends to me. I feel fortunate to have him in my life because I am able to really be myself with him. I will express my appreciation to him so that he knows how I feel.

Affirmation for Jerry: I allow Dean to be completely free to be himself. In this way, I am creating an association based upon true friendship and unconditional acceptance.

## The Fifth Connection Between You

Jerry

Dean

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read the meanings.*

Dean is the Cosmic Reward Card to Jerry

Location: Life Spread

This connection is often found between people who are working together long term or otherwise committed to being together in a work situation. The Cosmic Reward Card is someone with whom we may be destined to be with, usually later in our life. It doesn't have to be in the later years of our life, but usually, this is the time in our life when we have completed much of our own personal transformation and have gotten to know just what things and people bring us the greatest rewards. In this association, Dean is the Cosmic Reward, or Blessing, Card of Jerry's. Therefore Jerry is the one who is receiving this blessing and reward energy from Dean and this connection affects him the most.

For each of us, our Cosmic Reward card represents a quality within us, a quality that is good and represents our higher nature. Thus, when we encounter someone of that card, we are reminded of a higher part of ourselves and in that way are blessed by the interaction. However, younger people are generally less aware of their Cosmic Reward card and this lack of awareness usually translates into some resistance to it. Thus, as a general rule, this connection is perceived as a blessing more often after we have matured to some extent.

Just how Jerry will experience this connection will be directly affected by his attitude and the measure of his maturity. If he is someone who has learned a lot about himself, both his gifts and his challenges, then he will probably experience Dean as an important blessing in his life that reminds him of his higher nature. If, on the other hand, Jerry is still getting to know himself and hasn't yet dealt with some of his greatest challenges and changes, he probably finds Dean to be a difficult and problematic influence, someone who seems to confront him, or remind him of what he may become, but is not. It is important for Jerry to become familiar with the meaning of his Pluto Card and how that card represents some of the internal transformations that he will have to make in this lifetime in order for him to fully understand his association with Dean. The Pluto and Cosmic Reward Card are closely related, one precedes the other.

### *The Fifth Connection Between You*

*Jerry*

*Dean*

It is after we have met the challenge implied by our lifetime Pluto Card that our Cosmic Reward Card is able to manifest as a blessing in our life.

This connection is what causes Dean to want to share his bounty with Jerry. In a business situation, a lot of good energy can be shared by these two, but it is especially important that Jerry is able to appreciate Dean's contribution to him. The more Jerry shows appreciation for Dean, the easier the blessings can develop.

In its highest expression, the Cosmic Reward connection can make us feel truly blessed by the universe and give us a sense that we are in the perfect place and time for our highest good. It can help us feel that everything is as it should be and that nothing that occurs in our life is without a perfect and loving purpose. We feel more connected to everything, especially the cosmic rhythm and timing of the universe and have experiences that remind us that we are blessed in every way.

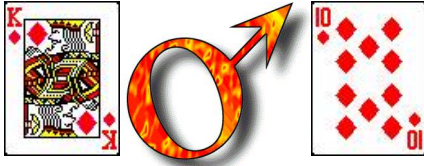

So, this is the potential for Jerry in this association and for Dean as well. If Jerry allows these influences to be appreciated, much good can come from it. And remember that with this connection, time is always on their side. The longer they remain together, the better it can get.

Affirmation for Dean: I am glad to be a blessing in Jerry's life and hope that I can give him all that I have to give. I understand that he may be challenged by me at times and have compassion for this. I only wish the best for him.

Affirmation for Jerry: I am grateful for the presence of Dean in my life. I accept all the good things that he brings into my life and respond with appreciation and gratitude. In this way I multiply my blessings.

## The Seventh Connection Between You

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read the meanings.*

Dean is the Cosmic Lesson Card to Jerry

Location: Life Spread

This connection doesn't have a major impact on a relationship in a personal sense. But it can be important in business relationships. Because it is one of the universal or cosmic connections, it has more to do with how these two connect in relationship with the world around them and the work they do. Specifically, Dean is a reminder to Jerry of how he has, or could have, an important role to play in terms of helping mankind through his work. This is about Jerry's career and role in the world. If he is not career-minded at all, then Dean's influence may just have some implications about whatever role he is playing in his life, as seen by others. For example, if Jerry is not career oriented, Dean may just might just be a sort of role model for what Jerry could do with his life, either personally or professionally.

Dean could be involved in a kind of work or playing a role in his work that is something that Jerry is destined to do at some point in his future. There will be something about what Dean does or how he does it that will be a reminder to Jerry's highest potential, and possibly his destiny.

But in all cases, Dean's presence in Jerry's life is telling him that he should be doing this or that - essentially things that will both improve Jerry's life as well as help others through his contribution to them. In many cases, our Cosmic Lesson Card is a symbol of the kind of work that we could do that would be our own highest and best personal contribution to the world. This information could be very helpful for Jerry if he is searching to find his purpose, or to decide what kind of role would best fit him. By studying our Cosmic Lesson Card, these sorts of things are revealed.

The fact that Jerry has attracted someone who is his Cosmic Lesson Card into his life is probably an indication that he is ready to achieve some of his potential, or that Jerry will be lead to his rightful place, work or career-wise, by Dean's influence in his life.

On a personal level, this connection doesn't usually manifest in any particular behavior patterns. It does not really affect two people's compatibility

### *The Seventh Connection Between You*

*Jerry*

*Dean*

in most cases. The only discernable characteristic might be Dean's reminding Jerry of his highest potential, or somehow offering suggestions that may help his career. However, Dean's presence in his life already serves as that reminder. He may even be involved in the kind of work that he aspires to, or may eventually become involved in. In other cases, it could be the way he does what he does that is a clue for Jerry as to what it is that can benefit his career or direction.

Affirmation for Dean: My awareness of how I am a reminder to Jerry of how he can make a valuable contribution in this world reminds me that I am an important influence in his life. I wish only the best for him and hope that my influence is a positive one in his life.
